

Essex Historical Society's Historic House Sign

The purchasers of an Essex Historical Society Name and Date sign will receive a free history of their house written by the late Town Historian, Donald Malcarne. If you need help determining the age or family name associated with your house, the Society will be happy to assist. However, the Society reserves the right to approve the final content of each sign.

Signs will be made by Essex sign painter, Jim Danks, of a standard size (12" h. X 18" w), shape (oval) and color (white background with Essex Green lettering), and containing the Essex Historical Society's monogram.

Price: \$ 175.00 (The Historical Society will receive a small percentage of the fee)
